PRACTICAL INFORMATION FOR THE TEACHING STAFF ABOUT THE DIMETIC SESSION IN PÉCS 2007

LECTURES

The programme of the session is available and updated at http://dimetic.dime-eu.org/2007_session2

Generally speaking, lectures last 1 :30 or 2 hours (however, other arrangements may be agreed with the week coordinators). This includes discussions that are often quite informal and are, as you may guess, very important for students. Please keep adequate time for the discussion to take place.

You are asked to provide a short Reading list for your lectures (2-3 references is ideal). Please send it **before JUNE 15TH**.

If possible, we would like to get a ppt (or other presentation materials) in advance enough to make paper copies available for the students. In any case, we would like to get it at the end of the session in order to post it on the website. But no need of papers *specifically* written for the session.

Please send all documents to flasaquier@cournot.u-strasbg.fr and/or bach@cournot.u-strasbg.fr

PHD PRESENTATIONS

Attendants (especially those who participate for the first time) are expected to give oral presentations of their PhD work (or of a research project if they are not PhD students). Other attendants and lecturers will discuss the presentation. The usual structure of the presentation is the following (unless changes agreed with the week coordinators):

- presentation by the PhD student : 30 mn
- discussion by another participant (Junior discussant) : 20 mn
- discussion by one of the teachers (Senior discussant) : 20 mn
- general discussion : 20 mn

You will be informed of the names of those who are expected to present their works and the names of the respective discussants by early June (info will also be included in an updated programme on the website)

A paper (ideally not more than 15 pages) will also be asked to the speakers (PhD project, existing paper, a conference proposal or an article - preferably non published). It will be sent to the discussants around 2 weeks before the start of the session.

TRAVELLING

You will be waited by an airport transfer minibus (for details see <http://www.mistral-minibus.hu/english.php>), which will take you directly from the Ferihegy Airport Budapest to the hotel in Pécs. You will be waited by the driver with a nameplate. The driver might be late, in case he has to wait for other passengers at the other terminal. The cost of the travel depends on the number of passengers (maximum 8 people) as well, but it cannot be higher than 15.000,- Ft (about 60 Euros) for one way, which is to be paid individually, but the costs will be reimbursed by the DIME budget, so do not throw the invoice (you will get it from the driver)!

The travel takes at least 3,5 hours from Budapest to Pécs. Transfer can be provided anytime. To be able to organise the transfers and the invoices, please fill out the attached file, and send it back to us (bodo_borbala@yahoo.com, erdosk@ktk.pte.hu) **before JUNE 15th**. If it is not appropriate to someone, please contact us and we will find another solution (rail or bus).

ACCOMMODATION

We booked single rooms (with breakfast) for everybody in Hotel Pátria (7621 Pécs, Rákóczi út 3., +36/72-889-500), which is situated in the centre of the city. For further information about the available services of the hotel see <http://www.danubiushotels.com/en/hungary-hotels/hotel-patria-pecs>. The costs of the rooms will be covered by the DIME budget and directly paid by our Pécs host, but do not forget to settle any additional expenses you might have incurred during your stay (such as telephone bills for instance).

There is a 24 front desk service and we will give them a list with the names of the participants, so when you arrive, you just have to tell your name and that you are a participant of DIMETIC and you will get your key. To organise this, we need the date and the time of your arrival and departure, if it is different from the data given by the airport transfer service.

MEALS

The breakfast – as mentioned – will be in the hotel. The lunch on weekdays will be served at the university canteen, where you can choose from two different menus with dessert. The lunch at the weekend and the dinner will be in local restaurants. We will give you tickets with a value of approximately 6 Euros. These tickets will be accepted by those restaurants, we have made agreements with. Should you eat for more, you will have to pay the difference but you can put your tickets together and add them up to pay the bill, thus those who will spend less can compensate.

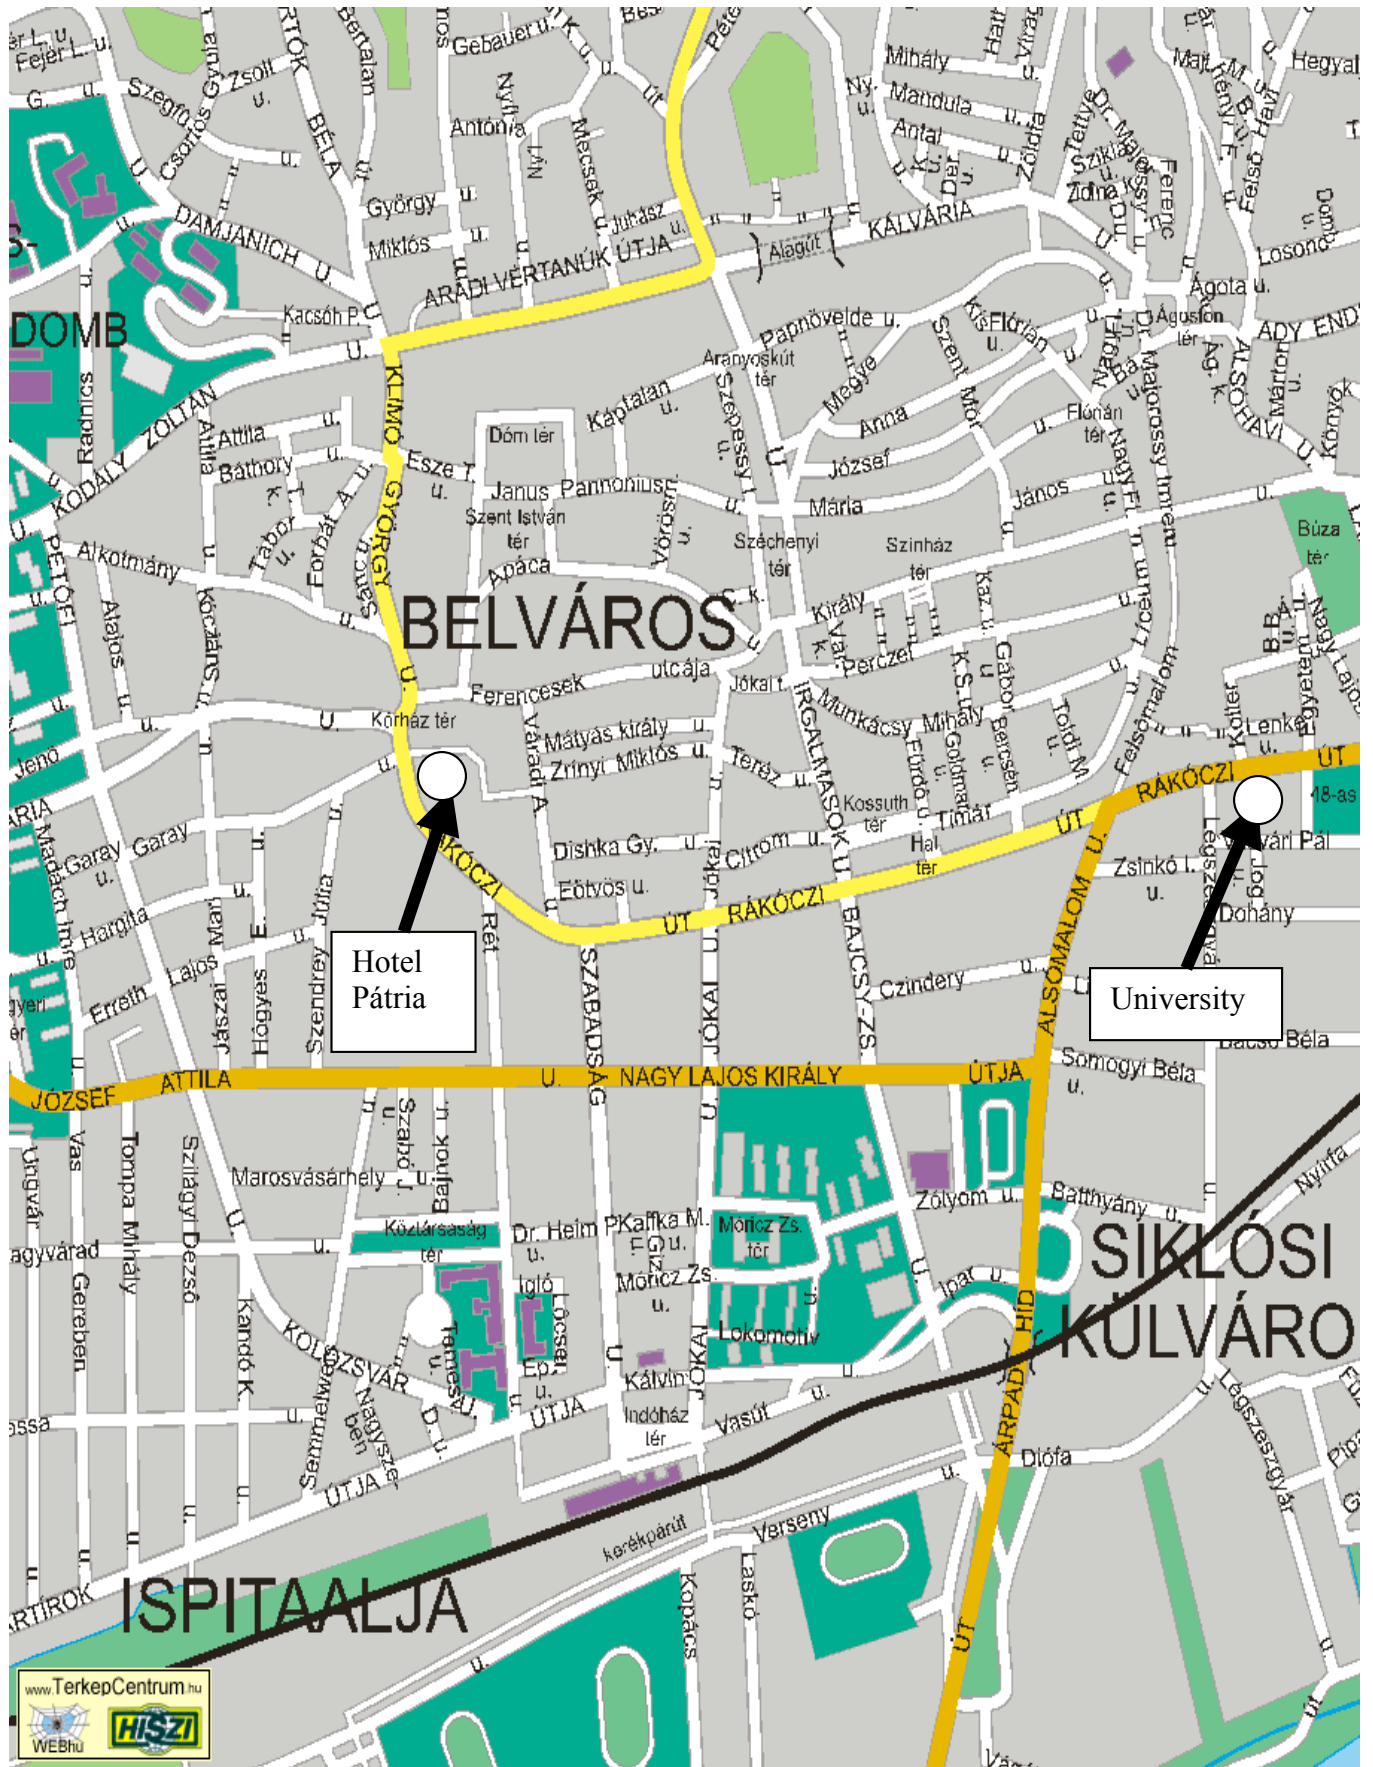

REACHING THE UNIVERSITY

We will print maps, where we show the location of the hotel, the university (7622 Pécs, Rákóczi út 80., the classroom is B312) and the ticket-accepting restaurants. These maps – together with the eating-tickets – will be in your hotel room by the time you arrive. The university is a 15–20 minutes walk away from the hotel, but if you want, you can take the bus. There is a bus stop in front of the hotel (at the minaret), you can take line 2, 2/A, 27. The third stop is the university (calls Rákóczi út or 48-as tér – depending on the line). The ticket cost approximately 1 Euro, but you might be better off buying a season ticket, which costs approximately 10–14 Euros. If you are interested in it, please contact us for further information.

Should you have further questions, please contact us!
